The Florida Native Plant Society

preserving, conserving and restoring the "Real Florida"

Why Natives?

- Less water and yard work
- Habitat for birds & butterflies
- Unique Florida landscapes
- Learn our plant communities

FNPS is a 501c(3) not-for-profit corporation.

Join our state-wide coalition of educators, naturalists, botanists, land managers, landscapers, home gardeners—people from all walks of life who love Florida. With 28 Chapters, we may already be your neighbors.
